

## NEWPORT HARBOR

T. K. CURTIS SERVICE, INC.

### *An Overview*

It is easy to see why Newport Harbor is such a popular destination for both land-lovers and boaters. Where else can you find two classically enchanting villages and two charming islands within walking distance of each other? Newport Harbor offers quite a few distinct areas, and we recommend a visit to any one of them for a day, weekend, or vacation.

**Newport Boulevard**, one of the first developments near the harbor, was built in the 1920s. It's now popular for its many antique shops and fine restaurants featuring French, Italian and fresh seafood cuisine.

**Lido Marina Village** hosts a pleasant open-air marketplace and a tree-lined cobblestone boardwalk. Make plans to stop for lunch at one of the many village cafes and if time allows, see a movie at the Lido Theater.

**Cannery Village** is home to the famous Cannery restaurant, a landmark in its own right. Narrow streets lined with galleries and unique shops give the village its charm.

The **Balboa Peninsula Fun Zone** marks one of the most entertaining locations in Newport. Adults and kids alike will enjoy an outdoor amusement park complete with Ferris wheel, bumper cars, and a merry-go-round. Here, visitors will also find several great restaurants, bars and a car/passenger ferry making regular trips over to Balboa Island. If sportfishing, touring the harbor or chartering a boat is on your list of things to do, then be sure to visit the Balboa Pavilion to make arrangements.

**Balboa Island** is a cute little island located in the center of Newport Harbor which hosts trendy shops along its tree-lined streets, a wide variety of restaurants and a boardwalk that circles the island. It is truly one of the most charming places to visit in Newport Beach.

## Upon Your Arrival

### ENTRANCE OBSTACLES

Beware of the clearly marked bait receptacle located mid-way up the entrance on the east side of the channel. Recreational vessels entering Newport Harbor should also observe several bridge clearances (given at 0.0 mean low tide). They are as follows:

- Pacific Coast Highway (20-foot clearance)
- Arches (9-foot clearance)
- Lido (14-foot clearance)
- Balboa Island (9-foot clearance)
- Grand Canal (4-foot clearance)
- Bay Island (8-foot clearance)

### GETTING A GUEST SLIP

Guest slips are available and can be obtained by contacting the Orange County Harbor Patrol or any one of several private marinas listed below. Slip availability at each marina depends on its tenant/vacancy rate. The only anchorage in Newport Harbor is located at the east end of Lido Island, between Lido Island and Bay Island. The anchorage is marked by four yellow buoys. Anchored boats must stay within the perimeter established by the yellow buoys. Stay is limited to 5 days/nights and anchored vessels must be attended at all times.

#### Orange County Harbor Patrol . . . . .949/723-1002

- The guest slip rate is \$0.40/foot/day (\$10.00/day minimum) and moorings are \$5.00/day. To obtain a guest slip or mooring, vessels must first pull up to the Orange County harbor guest dock. They are assigned on a first-come, first-served basis and reservations are not accepted. The maximum stay in a guest slip is 5 days with a possible extension if space is available, and 20 days during a 30 day period at a mooring. Check out time is noon unless other arrangements are made.

#### California Recreation Company (CRC) . . . . .949/644-9730

The California Recreation Company administers guest slips for the Balboa, Bay Shore, Bayside and Villa Cove Marinas.

- The guest rate varies according to vessel length, starting at \$16.50/day (minimum). To obtain a guest slip, contact the CRC during office hours (8:00 a.m. - 5:00 p.m., daily). There are no set check-out times and reservations are required. The minimum stay is 14 days and the maximum stay is vacancy dependent.

#### Lido Peninsula Marina . . . . .949/673-9330

- The guest rate varies according to vessel length, starting at \$2.00/foot/day. To obtain a guest slip, contact the marina during office hours (8:00 a.m. - 5:00 p.m., daily). Both the check-in and check-out time is noon and reservations are required. The maximum stay is vacancy dependent.

## Waste Facilities

Following is a list of waste facilities available in Newport Harbor. Please contact the Harbor Master for current information should you encounter problems. For additional recycling and/or disposal information, call EPA's national hotline at 800/CLEAN-UP.

### BILGE PUMPOUTS & MOTOR OIL RECYCLING FACILITIES

Currently, only commercial vessel bilge pumpout facilities are available. However, uncontaminated used motor oil can be disposed of for free at all three harbor fuel docks.

### HAZARDOUS WASTE

There are no permanent hazardous waste disposal facilities available in this harbor. However, used batteries are accepted at all three harbor fuel docks.

### SEWAGE PUMPOUT & DUMP STATIONS (24-HOUR ACCESS)

Harbor Patrol officers reserve the right to inspect all marine sanitation devices on vessels berthed in the harbor. Such inspections may include placing dye tablets into on board heads to determine holding tank compliance with the "No Discharge" law. Unless otherwise noted, all locations listed are pumpout stations only. Port-a-potty waste should be disposed of using these facilities or into an on-shore toilet.

- American Legion pumpout dock
- Arches Marina
- Balboa Bay Club, end of H-dock (between the Club & the Sea Scouts)
- Bahia Corinthian Yacht Club, west end of slips
- Balboa Fun Zone Marina, side-tie at west end of slips
- Balboa Yacht Basin, side-tie at west end of slips
- Bayside Marina, between the Bahia Corinthian Yacht Club & Balboa Island bridge
- Harbor Department guest dock
- Lido Village, east end of village slips
- Newport Dunes Marina, end of F-dock and launch ramp

### TRASH

White receptacles are available on each dock and trash is collected daily.
